## Specials

## Update: Llay, Wales

It is hard to believe that we are 1/3 of the way through the year already! Well, we have been busy for the past 2 months so it is no surprise. Take 2 months, add a mother-daughter tea, Mothering Sunday, Easter and a half-term school break outreach along with weekly teen outreach events and that will do it. It has been good as the word of God has been going out! We had a blessed Easter with special services on Good Friday and a Family Service on Easter Sunday. Attendance at all services was up this year according to the Quades (the missionaries we are working

with) which was a tremendous blessing. We felt specially blessed to have been here in Wales for our first Easter! Our teen ministry is holding steady with some additions and subtractions of young people. We have had schedule conflicts with the local football pitch but can use a small field across from the church. The location is not central to the village but as we continue to do things there the word will get out. Martyn, a neighbor to the church, recently told me that it is good to see the increased activity at the church since we arrived. The word is getting out and

the Word is going out!

## Odds and Ends

- Our church web site is now approaching 1200 hits on the main page. Just a few weeks ago an 11 year-old girl came to Sunday school with her younger brother after finding our web site!
- In March, Mary submitted a 100-word dialog in Welsh and won a competition in a beginners Eisteddfod (a Welsh festival of literature and music)! So Welsh lessons are coming along well – da iawn!
- I have recently started taking driving lessons toward testing for my UK driver's license. I do request prayer for this as well, as the standards are very strict here.

## New Opportunities

An opportunity has fallen in my lap as a result of getting to know the directors of the local Welsh government youth centre. The Llay Resource Centre is in the center of the village and was placed there to engage young people in a positive social sense (education, training, socialization). I have just submitted paperwork to the Resource Centre as the first step in the process to start a weekly Bible club there – the paperwork is for the Criminal Records Bureau to do a check on Mary and me which is required just to be allowed

in the centre in the evenings. We will have the Bible club on the same night as when the centre is open for the young people to come and play. My desire is to share Christ with them through an outreach Bible study. Please be in prayer for this new ministry.

We have completed the first 20 discipleship lessons with the young couple who were saved last fall. We are taking a break before continuing on. Please continue to pray for Clive and Helen as they continue to grow in the Lord. I had requested

prayer for their son William last fall for his salvation. William came to church one Sunday recently, beaming. Inside the church he told me that he had prayed and received the Lord in his room that week– Amen!

We thank you for literally giving us the honor of ministering here in Wales. The Lord sustains us through His grace and through your vision to reach to the uttermost. The members of Bethel Baptist Church of Llay, Wales appreciate your sacrificial giving that we might be here to help them share the Gospel.
