Update: Llay, Wales

Joey has a lot of questions about God but he seldom sticks around to get the answers. Joey joined us one Friday as he and a couple of his friends saw us playing games with other teens in the field across from our church. Joey is skeptical – he has been taught that about God in his secondary school Religious Education (RE) classes. Though he can be a handful, he keeps coming. Please pray for Joey and his friends as we share true reality and a loving Saviour with him.

Joey and many others have been coming to our *Fantastic Fridays* as we have gone outside in the longer

days here – we have seen the attendance leap up to 15 to 18 on an average week. A really encouraging thing is that we do not see the same teens every week (well, that can be a bit frustrating). Each week there are one or two new faces. While we would like to see them all consistently, we realize that even if they are not there, many more young people in Llay now know that we **are** there.

Thank you for sending us here so that young people like Joey can hear a clear presentation of the Gospel. Though we have not yet seen any saved through this ministry we are being faithful

Praise . . .

- I was just asked if Bethel Baptist Church would hold a service at the start of Festival Week for the village of Llay. This has come as we have engaged the local civic group and have become more involved in the village. Please pray for a great turn-out on 26 August. People do not care how much you know until they know how much you care.

- We have 4 teens going to our summer camp and are excited to see how the Lord will work in their lives during this time. A special thank you for those churches who were able to

give to help these young people get to camp. Please pray for one more camper we have been inviting.

- We just finished one year of Welsh language instruction. It is a helpful tool when breaking the ice with many of the teens who come to Fantastic Fridays.

and Prayer

- We are still waiting for approval by the Wrexham Council to work with young people in the village Resource Centre. Mary and I have submitted additional information for a Criminal

to sow seed and let the Lord bring the increase.

The couple Mary and I have been discipling have moved to a city just over an hour south of us to help take care of sick family members. While sad to see them go they are fortunate to have moved to a city with a Baptist church and a Gospel presence – please pray for Clive, Helen and their children that they will continue to grow in the Lord.

Odds and Ends

- I passed the theory and hazard perception parts of my driving tests (Amen!). I am scheduled for my “practical” test (behind the wheel) in early August. Mary is next ...

Records Bureau (CRB) check. While the process can be tedious we need to be patient and persistent to try this venue for reaching out with the Gospel.

- We just found out that our lease is not being renewed (the owner is moving back) and we will need to find a new place to live by the time our next prayer letter goes out (September). Please pray that we can find a suitable house here in Llay – it means so much to be able to say that we live in the village when meeting people, inviting them to church and witnessing to them.
